How much is admission for spectators?

Due to overwhelming response from participants, we will maintain the admission fee policy for this year's event. Each team will pay \$35 per player prior to the tournament. This fee will cover the admission for all parents/siblings/grandparents/family/friends that would like to come and see your team participate in the tournament. Through feedback, we realized the burden admission could be for the two day event. We are hoping that this makes our event more affordable and family friendly.
